“ *Behind his sometimes gruff exterior my dad, Alex Meshbane ,had a heart of gold. He was always there for family. He was happiest when the family was together and loved his wife and children very much. His grandchildren were a constant source of joy for him. As my brother Andy said, he liked his soup HOT and the dining areas to be well lit. He picked up every check when dining out. I only mention this because he seemed so at peace when eating at his favorite restaurants He constantly amazed me with with his astounding generosity. He will be greatly missed by everyone who knew him. I think of him every day With love, Gene Meshbane, or Eugene as he called me*
