“ My first boss at 22yrs old in the garment district at Diane von Furstenberg. Not only was she my boss we became good friends. Had dinners together, drinks together. I was so young straight out of college and Alyson was a tough boss. But I loved her. I hadn't seen Alyson in over 40 years ,but we had kept touch through text and talk. My head is spinning as I just found out. I can't seem to get her out of my head. We had so many laughs together, and it was a special bond that we had..Me at 22, and Aly 33. Really the beginning of our lives. You will be forever in my heart Alyson 🙏❤️
