“ It is inappropriate for Beverly's obituary to be featured on this Jewish website, as she converted from Judaism to Mormonism. Following her baptism by Mormons, she departed from the Jewish faith.

“ I'm sending a message from the Class of 1959 from Plymouth High School. Beverly until a week ago was in touch with classmates through email. She had shared she had been ill but was home and improving. I don't think she ever forgot her home town of Plymouth. I will share her obituary with her classmates and sincerely thank Phyliss Coffman for letting me know.

Sincerely,

Ginny Emond Davis, Corresponding Secretary

I was so sad to hear of Beverly's passing. She was such a dear, funny, thoughtful, classmate, and friend, especially over Facebook lately! We had many laughs together, and she will be very missed! She is now with her special guy and family! Rest in peace, Bev.

To my beloved Sister. I am still in shock and can't believe you're gone. As I go through your things my heart ❤️ is aching for you. You were so good and generous to me. Always so thoughtful. I was blessed. We all were. So very sorry that you had to go through all that you went through. It didn't seem fair. But now you are with Mom and Dad Roger and my Lorianne. I envy that you were always so strong until the end when you wanted to go home and die peacefully in your own bed 2 days later. I'm so sorry I didn't make it on time but our last conversation was lovely. I begged and pleaded with you to stay but you said you couldn't. That it was time. My poor fagala you will always walk by my side. I heard you yesterday when you said hi Barbie. My precious Sister. Love always.

“ *I fondly remember visiting and having lunch with Beverly and Roger in Florida when I was visiting there. We shared many wonderful memories that went way back to pool parties at their house when we were young marrieds. Happy times.*
