“ *I am stunned and sorry to hear of Bruce's passing and sorry I hadn't known until now. Despite his lifestyle choices and his troubles, he showed himself to be a very caring and emotional person with a good heart and a willingness to help people when they needed it. He put up a sometimes gruff exterior but underneath was a loving person who cared deeply for his family and friends. My condolences to his mother and father.*

“ *I knew Bruce. Surprised he has passed away. He was a known Crystal Meth dealer and even the police went so far as to place a tracker on his car. He had at last counts year ago \$25,000 in a safe deposit box so that should be impounded by the police.*
