

Dolores Steinberg

October 11, 1932 - January 14, 2023

Dolores Himmelstein Steinberg passed peacefully in her sleep Saturday, January 14. Raised in Queens, NY by Isadore and Sally (née Sachs) she was predeceased by her loving brother Murray, whom she cared for throughout his life, and her long-term companion David Karpel. Her survivors include children Marsha (Robert Lucas), Ivan (Debbie Berg), the late Ephraim Karpel (Fran Gans), and Judy Weinberg (Martin) and grandchildren: Sarah, Bailey, Jillian, Lexi, Dylan, Lauren, Lilly, Jasen, and the late Anton.

A fuller life could not have been lived. Dolores was a trained interior designer and practiced her craft through the family electrical supply company on Long Island. She was an active homemaker and mother in Woodmere, Long Island where she was active in 4-H and as a Den Mother in the local Cub Scout group. Upon relocation to Florida in 1999 she immersed herself in the Boca West community and was an active member of the Hadassah Gilda Mallan Boca West Chapter, serving as Reservations Vice President on the Executive Board, where she put every ounce of her energy into planning events and ensuring that all members were accommodated. Until her final weeks she mustered the strength to organize and work at the weekly card party. She was also an annual Hadassah giver through her recurring gifts to Keeper of the Gate.

Dolores was always the most fashionably dressed from head to toe. Her

collection of shoes took up a wall in her closet! She was a ray of sunshine that radiated positive energy, warmth, and lifted the spirits of everyone she touched. She made those she touched believe that no matter what the situation, everything was going to be ok. Her sense of humor, along with her laugh and smile made everyone smile along with her.

The family has requested donations in Dolores' memory go to Hadassah for a Perpetual Yahrzeit in Israel through the Gilda Mallan Boca West Chapter.

*HADASSAH
Gilda Mallin Boca West Chapter*

Dear Hadassah Sisters,

It is with very heavy hearts and profound sadness that we inform you of the passing of our Beloved Hadassah Sister Dolores Steinberg. There are certain people in our lives that have such exceptional impact on everyone that they touch, and Dolores is one of those Treasures.

Dolores was a ray of sunshine that radiated positive energy, warmth, and lifted our spirits. She made us believe that no matter what the situation, everything was going to be ok. Her sense of humor, along with her laugh and smile made all of us smile along with her. She was always the most fashionably dressed from head to toe. Her collection of shoes took up a wall in her closet!

Dolores loved her family, friends and Hadassah. Her passion and dedication to Hadassah was a priority in her life. She was an annual giver through her recurring gifts to Keeper of the Gate. Dolores gave every ounce of her energy to her Reservations VP job on the executive board. She took reservations, checks, did all record keeping and set up all the tables at all our events for breakfasts, luncheons, and card playing. She knew how to put the puzzle together. She always wanted to please everyone with their placement at tables. Dolores was the key to our success in so many ways.

Even the past few weeks when Dolores was not feeling well, she mustered up the strength to work on the card party as it was so important to her, until she finally couldn't.

Dolores will always be a part of us in our hearts and in our chapter. We will miss her tremendously, but we will carry on her passions, act on her examples, and honor her memory by being a strong community of women with the power to do and heal.

Our Card Party tomorrow will be dedicated in Loving Memory of Dolores.

We send our sincere condolences to her daughter Marsha and son Ivan and everyone in her family.

The family has requested donations in Dolores memory go to "Hadassah" for a Perpetual Yahrzeit in Israel. Please send all checks to Lisa Carlin—7045 Rain Forest Dr., Boca Raton, FL 33434

May Dolores' Memory Be For a Blessing.

Wow, what a brilliant life and light. Your mom was always so positive, optimistic and lively. I am so glad we were able to get together for dinner a few weeks back. She was so full of Joy and energy. Those very same characteristic she has passed on to Marsha, Ivan and her entire family. May her memory be a blessing.
