“ Our friendship began some 50 years ago through Marriage Encounter and Temple Beth Torah in Rockland County. We shared happiness and tears joys and sorrows through out our friendship. We loved going on vacations or packing a sandwich and going on a picnic.

Years fly by as we all know. Our relationship grew.

We discussed many times how the relationship evolved. We were more than friends we became family..

Dear Evalyn

Dear Sister

RIP until we meet again

We love you

“ Paul and I first met Evelyn and Howard when we were snowbirds in building 21. We soon became close friends and shared many wonderful times together. Years later they became full-timers and we followed soon after. When Evalyn introduced us to Sally and Larry Levy, the six of us became inseparable, enjoying many fun times together, especially playing Mexican train dominoes every week. Evalyn was a warm, loving friend who was always ready to share a laugh or be there for us when ill health or misfortune struck. She was generous with both her time and her love . We are grateful that she and Howard shared so many wonderful times with us and enriched our lives immeasurably. Know that you were loved and will forever live in our hearts. We will always cherish your friendship. Rest in peace dear friend.
