“ I first met Harriet at Christopher Columbus High School in the Bronx (New York City) over 65 years ago. We were in the same “home room” class for a year. She and my brother Irv started dating around that time. Over the years since then we shared countless memories of happiness, joy and, unfortunately, sadness that a long and rich life brings. Rosa and I are fortunate to have been able to spend the last 10 years of our lives living in Florida and being able to be closer to Irv and Harriet. We will miss you, but our memories of you will always be with us. Love, Rosa and Mel
