“ One of great memories celebrating Ina's birthday! I have known Ina for about 27 years. She had such a way about her that warmed my heart and kept me laughing. Ina's sense of humor and kindness will always be remembered. When getting together with family Ina had funny stories and funny asides! She will be greatly missed. ❤️

“ *What a special lady my Aunt Ina was. She was a lifelong close friend of my mother, and unselfishly gave a great deal of support to her in her declining years. To me, a favorite relative whose company I always enjoyed. No matter how trying the circumstances each or both of us were going through, and believe me they were not trivial, she always found humor in the situations, and we always both wound up laughing hysterically. Her resilience overcoming adverse life conditions and traumas was an inspiration to me. Her passing is sad, but she lives on in my fond memories of her. She had a very long tumultuous life’s journey. She’s at peace, now, and her physical suffering at the end is over.*

“ Aunt Ina, I love you so much. 💕 Whenever we were together or chatting on the phone we had fun! I always felt a genuine loving connection with you. I treasure that you came to Oregon and Canada to visit. Such special memories. 💕 I think the funniest memory was the trip we did after the cruise. We went to Sanibel Island and you fell onto your butt when walking the beach. You might have been on the waters edge. We laughed and laughed even after you got up. We stopped at a rest area in the Everglades to use the washroom and while in the stalls you said, “Kena, the entire beach was is in my bathing suit.” We laughed and laughed again. 🌀 What a fun trip that was!! Love you Aunt Ina, say hello to Chris. Also, my Mom sends her love. She said to me “Ina was a very good sister to me”. Jay sends his love too and he is glad you are with Chris. Jay remembers you coming to visit in Baltimore and being on Grandma’s porch. He remembers Chris as the “coolest” cousin. Lastly, Jeff will always cherish his time with you and is so honoured that you sent him the dinosaur Chris made. 🐲 Love you with all my heart and soul. 💕💕
