

Jerry Paull

November 26, 1935 - July 18, 2020

Jerry Paull, 84, of Wellington, FL passed away on July 18, 2020, after a long battle with Acute Myeloid Leukemia. He is survived by his wife, Karen Paull, his sons Kevin Paull, Rory Paull (Robert), his daughter, Shari Paull Nathanson (Scott), his step-daughters Tracey and Laurie Litt, as well as three grandchildren, Joshua, Alexandra and Zola. Jerry was born in Brooklyn, NY on November 26, 1935 and raised, along with his sister, Selma, by his parents, Morris and Gussie Polishuk, in the Sheepshead Bay Area of Brooklyn, NY. He lived in Merrick, NY and Florham Park, NJ before moving to Florida in 2006. As a young adult he was the first president of Temple Israel of South Merrick. Jerry was a self made man, who worked from the age of 14 and built several very successful businesses in the Interior Design field. He fell in love with sports at an early age, and loved playing baseball. If not for an early knee injury, he would have played in the minor leagues for the Cincinnati Reds. He was an avid boatsman, and loved being out on the water. When he moved to Buena Vida, in Wellington, he served as Vice President of the Board of Directors. In early retirement, Jerry found a way to combine his love of music and his charitable interests. He, his son and his partner launched a new business venture as concert promoters. They promoted shows throughout South Florida with a portion of proceeds to benefit The Pap Corps - Champions For Cancer Research. He was beloved by all who knew him, and will be greatly missed. There will be a small service for family only on Tuesday, July 21, 2020 at 11:00AM that will be live streamed at: <https://www.fa>

“ *The first time I met Jerry was over 35 years ago after Tracey and I had driven a 1962 Convertible from Virginia to NJ. He welcomed me with an embrace simply because I was someone Trace had brought to their home. He clearly knew we were to be friends for life and embraced that. When I didn't yet have a relationship with my own Dad, Jerry welcomed me in as his. Arms open, wide smile. I was one of his girls without question. Over the years, in touch or not, it didn't matter. Any time I saw him, he treated me with a heartfelt hug and a warm, loving twinkle in his eye. It was as no time had passed. I'll miss his bright smile and the sense of belonging he always gifted me. Rest In Peace Jerry.*

“ *I met Jerry in August 1983 in the dining hall of Emerson College while he and Karen were getting Tracey situated at college. He invited me to sit with the three of them and didn't stop talking - shocking, I know! It is because of Jerry that I have had my best friend Tracey for 37 years. Always generous, kind and loving to me, Jerry's love of his family and friends was one of his hallmarks. Rest peacefully, Jer. Love to you. — xo Caren*
