“ We lost a selfless brother-in-arms who served his country proudly and with honor. He was also a great family man who loved his children and grandkids dearly. He rarely complained about anything and was willing to give his time to help others. Jorge had a such a calm demeanor that could irritate the anxiety out of any person. :-)
However, it was something I would try to emulate but to a failure. You were a man's man who will be sorely missed. The void you left can never be repaired. The wound may heal eventually, but it will always hurt years from now.

Love you my brother,
C.I.C.
