“ *I have been playing gin rummy with Joe for over 25 years and it will be very hard for me to sit at a card game without him. When I was sick in Texas he called me at least once a week to check on me. I will never forget his caring ways and his chuckle. I would like to say Joe was a very good friend and I will miss him.*

Rest in peace, dear friend.

AN

*Mr. D was my teacher in 5th & 6th grade, back in 1978-79. He taught with love, respect and passion! He left such an impact in my life, we remained friends all these years. He was caring, he had his entire class write to me when I was in college in 1985 because I was homesick. ❤️ He also came to see me in 1996, when I had my daughter Elisa. Who does that? Mr. D!! I recently told him I wanted to be like him when I retire, he lived life to the fullest! Thank you Mr D. for the example you leave behind, I will never forget you my dear friend!
To his children, Judi and family, thanks for sharing him all these years!
Rest in Peace Joe!
With love always,

You were one of a kind. Thanks for being my mentor, my hero, but most of all, my Dad. Thank you for your love and guidance, helping me to see the good in myself and to learn from my mistakes. As I said in your eulogy, "Thank you for telling me not what I wanted to hear, but what I needed to hear." Will honor you always by doing my best and following your example. Love you forever! Phil
