“ When I was a baby we moved to south Florida and uncle Keith was my only relative in Florida. I grew with him and Clay and Tracy. We were always together for birthdays holidays sundays any day ...lol We were always at his place or he was at our house.
I went on many adventures with him and cl
Clay and Tracy in his R.V. He was always investing in some new venture, a fish camp, Holstein cows..just to name a couple..and we would pack up and take a road trip.
When I was older I would help him out doing whatever whether it was painting his place or moving stuff or whatever he needed help with I was there for him.
He would let me drive his convertible Mercedes Benz.. with the hand controls..what fun!
I was so lucky to have had his presence in my life as he was such a incredible man!
I have so many memories that span 60 yrs!
I will my buddy my Uncle Keith!
See ya when I get !
I love you 💕

“ *As a teenager I practically lived at Keith's house. His daughter was my best friend. In my 20's I worked with Keith at his accounting firm. In my 30's I married his son. He has been an integral part of my life for over 40 years and I will always remember his smile, his tales and his advice. He will be missed as much as he is loved.*
