“ *First, my condolences to you. And for the delay in communicating. Larry and I went to Union Junior College for one year. We were friends with Rich Kruger of Millburn, I believe. The three of us spent time between classes and studying for tests. As I remember he had a little red Pontiac that he loved; we all smoked cigarettes; we loved music and we laughed a ton. My wishes for your peace and God rest his soul.*

*Warm regards,
