“ *My sincere condolences. One thing I will always remember about Leon was his smile. He had a great smile.*

“ *Leon was a light. He was someone I met early on when we moved to Westport and honestly, being the Father of my dear friend Steve, I saw him often on Sandhoppr trail. He adored his grandson's Tyler and Ryan and his love was constant. When he smiled- he reminded me of Steve. And now, His smile will live on in Steve's smile. Rest in eternal peace. Love Frank, Mary-Lisa and Frankie and girls*

Thank you all for your kind words. Funny, when I look in the mirror, I see my dads smile looking back at me. Frank, he loved you. He so enjoyed your company. Much love!

My first 'crush'! I love all my cousins, but Leon was always so special to me! We both loved to read, we talked about almost everything and he couldn't stop laughing once when I insisted we exchange our outfits so that he could get into the Kings Point auditorium....he needed long pants...and every time we told anybody about what we did he would start laughing uproariously again as if it had just happened. Always so special and much loved...

My sincere condolences. Leon was a wonderful person, a friend to many, and a man you could always have a great conversation with. Being the salesmen that they were, my father Jerry and Leon were very good friends for many years. Thoughts and prayers to his family and friends from The Schwartz's.
