“ *I am so sorry to learn about my friend Lottie. I tried to call her and leave a message when I didn't hear from her at Christmas. We worked together at Sears in auditing. We visited each other even when Charlie was alive. Lottie was a private person and one day as I was giving out the paychecks to the employees, they would shout out to Lottie "Happy Birthday" After a while she said "how does every one know it's my birthday?" I replied, I posted a sign by the pay window "Say Happy Birthday to Lottie." She laughed so hard. Please, would someone call my home as I would like to hear about her. Thank you.
