

Martin J. Mazie

June 25, 1933 - March 4, 2022

Our beloved dad, Martin Mazie, left this world peacefully on March 4th, 2022, after a long battle with COPD and Dementia, just two months after our mom, Loretta, the love of his life, has passed. He leaves behind 4 daughters, Shellie Dickstein (Philip), Dani Segal (Dan), Jody Ludwig (Marc), Kim Novick (Steven), 8 grand children, their spouses, and 10 great grand children, all who he adored and cherished very much!

At a young age, Marty, spent much of his time working and learning the family grocery and then liquor store business. He went on to attend Rider College, in Trenton, NJ, on a football scholarship which he passionately played as number 22. There he studied business and graduated with a BA. After college he took an interest in Real Estate and Insurance and dabbled a little in both. During this time he met and fell in love with a beautiful women named Loretta and they stayed married for almost 70 years! During the years he raised his family in Cinnaminson, NJ, he made a living working at Mazie's Liquor Store in Pennsauken, NJ. He eventually went out on his own and bought Westville Liquor Mart and restaurant in Westville, NJ and worked many years to make it a success! Dad also had a passion for collecting rare wines and whiskies in collectible bottles and mounted an impressive collection.

His favorite past times included, fishing, boating, golfing and piloting. When we were young we remember a spirited day when dad co-piloted a plane and

surprisingly flew over the house so we could wave at him. He became an avid golfer and enjoyed playing most of his life. He and Loretta were active members of Temple Sinai, involved in play productions. Marty was also on the board of the mens club and a member of The Mizpah Masonic Lodge. He also enjoyed many summers on the beach and boardwalk with family and friends in Ventnor and Atlantic City, NJ.

After his children were in college, Marty and Loretta decided to build their dream home and move to Boynton Beach Florida. At this time he had sold the liquor business and worked different jobs towards his move out of state. He drove a limousine before moving to Florida and once they moved he became manager of a BP oil station and mart for over 15 years. He later worked his favorite job at Kings Point Country Club Golf Course in Delray Beach, Florida for many years until his retirement.

Marty and Loretta built a beautiful home in Florida which became the families vacation destination for all their children, and extended families and friends to enjoy year after year, making many happy memories there!

His family and friends always speak of Marty as a kind, gentle, and always a fun loving man who adored his wife and children. Dad, you are loved and will be greatly missed! You're at peace now and with mom forever!
