“ No eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love Him. It's the reality of heaven's joys that bring comfort to my heart at this time of loss. May it bring comfort to everyone feeling this grief too.

“ Mom you were the one that I always could talk to about anything, You were the best listener and always offered me life advice that was not always easy at the moment but right. That is what has helped me become the man I am today. And I couldn't have asked for a more blessed life. It is heavy on my heart that you are gone temporarily. And I will continue to do my best to make you proud. I was truly blessed to have you as my mother. For my heart truly breaks when you loose someone you can't replace. but in all its of great comfort to know you are whith Jesus .for which I will see my Mother and friend again. Love you mom. Your Son Dell
