

Mauree Talman

September 1, 1954 - October 20, 2023

Mauree Talman of West Palm Beach, formerly of Miami, Florida and Lincolnwood, Illinois; beloved daughter of the late Phillis [Klein] Talman and the late Robert Talman; passed away on October 20, 2023, following a fierce battle against cancer.

Mauree was a pilot, scuba diver, rower, and cross-fit athlete. She had a successful career in marketing and design until her love of animals changed her career path and she became a certified veterinary nurse (and earned advanced Fear Free vet tech certification as well). She was active in animal rescue and fostered dozens of kittens in preparation for adoption. She always had her own “family” of cats over time including Mauricio, Marley, Nikisi, Safi, Amani, Jasiri and Rafiki. She ensured a future for them by creating a trust with the Best Friends Animal Society where they have been relocated and retired in comfort.

She was an avid Africa photo safari adventurer and wildlife photographer. Some of her photos can be seen on her Instagram account [safari_girl2](#) and on her Facebook page [Mauree Talman](#).

Mauree made friends everywhere she went, even during her rounds of chemotherapy treatments. She will be greatly missed by her CrossFit tribe; African safari travel mates; coworkers; friends; and many loving cousins.

Services were held privately. Arrangements have been made to have her ashes scattered in her favorite animal preserve in Kenya.

Contributions may be made in her loving memory to the Sheldrick Wildlife Trust: (she adopted many baby elephants through this program and watched them flourish); Best Friends Animal Society; or the animal rescue organization of your choice.

Her family encourages her friends to celebrate Mauree's life and share their photos and remembrances on the Sinai Memorial website.
