

Maxine Joan Epstein

May 8, 1943 - October 15, 2022

Our hearts are broken as Maxine Joan Epstein sadly passed away on October 15th at the age of 79. Maxine was born in Brooklyn, NY then lived in Aberdeen NJ for 50 years, and moved to Boynton Beach, Florida 6 years ago. She was a wonderful Wife, Mother, Aunt and Loving Friend who was always there for all. Maxine is survived by her husband Barry of 60 years, daughter Julie and partner Loretta, and daughter Penni and partner Lyman (deceased). She was also a loving aunt to Jana, Joan, Michele, Joleen, Allison and great nieces and nephews. Predeceased by her parents Mollie and Joe Greenman and her sister, Marilyn Greenman Lerner. Maxine loved languages, reading, crossword puzzles, scrabble, words with friends, was a voracious reader and loved correcting us all as a proud member of the grammar police. She loved music, singing and had an amazing knack for trivia and facts that many of us never knew. Maxine loved spending time with family, friends and sharing her infectious laugh for all to hear.

“ *We have all lost someone who always tried to have fun, and make others have fun and laugh. Maxine had a zest for life, whether she was joking around with her gathered friends and family, or excitedly planning for her birthday (or someone else's), or going to a casino or movie. Her laugh was unfettered and contagious, and I will miss Maxine and her joyfulness.*

“ *I wish I could say something that would ease your pain but remember the depth of your pain can only be measured by the height of your love. My prayers go out to Maxine and the whole family.*

“ Oh Penni and Julie. I am so saddened hearing. ABOUT Mom's passing.
Maxine was my first friend in Aberdeen and my memories of mom and you both are wonderful.
Maxine made us laugh every week at mahjong with funny stories. Even feeding Penni during the game did not stop Maxene from winning.
You will be missed. Rest in peace my friend.

“ I knew Maxine for almost three years, but she was my forever friend. You know when you just click with someone? That's what happened when I moved next door to Maxine. Oh, the wonderful chats we had! And we would have a ball, singing songs from the 40s and 50s! I loved the look on her face when I'd surprise her with her favorite soup. Ah, such wonderful memories to cherish. I will keep them, and Maxine, forever in my heart. Rest in everlasting comfort and peace, my dear friend. ❤️

“ Max was my sister from another mother. There was nothing we couldn't share (except our husbands). Together we were always laughing at Alan's endless schticks. We enjoyed many afternoons, evenings & weekends wining and dining. Our adult children share a wonderful relationship with The whole family. I will miss my friend and our words with friends, telephone conversations and endless times together. Rest well my friend ❤️
