

Menachem Botton

June 25, 1932 - October 22, 2018

Mike Botton (aka Menachem) was a beloved son, husband, father, grandfather, brother, uncle and friend.

Mike was in the men's clothing business for most of his career. During that time he met so many people who became dear friends over the years.

Everyone who met him immediately liked him.

Mike was the kind of man who went above and beyond when it came to the people he loved. Mike was a wonderful father to Susan and Steven and a devoted husband to Selma for over 61 years. Not only were they husband and wife, they were also best friends.

Once Mike and Selma moved to Florida, they made yearly trips up North to see their kids and grandkids. Those visits were always full of fun and laughter. After four months of being together in Florida, and to prevent driving each other crazy, Mike got a job at Sears and worked there for 16 years. Mike finally convinced his sister Daisy to move to Florida where she was close to family.

Mike was very active in his condo association as a board member and then president. He and Selma have made so many wonderful friends here over the years.
