“ *As the father of one of my oldest and closest friends, Mike Swartz wasn't Mike to me until I was well into adulthood. But man, he was cool, that's how I remember him. The last time I saw him was at Brian's wedding and he was as much of a pistol as ever. Yes, he was one of the coolest dads, with great style and swagger. I'm sorry for his loss. Condolences and love to everyone.*
