

Myron David Goldman

June 7, 1922 - February 14, 2023

Myron ("Mike") David Goldman, age 100, died in Delray Beach, Florida on February 14, 2023 (Valentine's Day) to be with his beloved late wife Gladysann. He was born to Ann Douglas & Michael Goldman on June 7, 1922 in Boston, Massachusetts. Mike worked for the State of Massachusetts as a civil engineer and was member of the Freemasons for 75 years. His hobby & passion was reading about ships that made famous voyages and building intricate replicas of them to scale. Mike was ever curious and tinkering. Well into his 80s, and 90s(!), he learned to digitize film reels, hard copy photos, and VHS tapes to help preserve and pass on decades of memories. He also was an amateur genealogist and spent a good part of his later years finding and documenting the history of our families. Mike was quiet and unassuming, but quick witted with an easy and infectious laugh. He was a devoted father of Stephen Goldman, Debra Page and her husband Kyle. Loving and adored grandfather of Robert Goldman and his wife Randi, Michael Goldman and his wife Justine, Jacqueline Page, Jillian James and her husband Stephen, Joshua Page and his wife Marisa. Cherished and doting great grandfather of Hayden, Stella, Natalie Goldman & Harvey Hudson and Aiden James. We will miss you Mike. He will be held forever in our hearts.

“ *A wonderful mensch! Someone even as a child would lend an ear. Unassuming quiet but in a delightful way with always with an inviting smile. With such a strong sense of self that no bravado was needed to get his needs met. I really loved the guy and wish I had let him know that more often. May his memory be a blessing. Dickie Nathan*
