“ *I've known Phil for almost 40 years. I remember him 'trying' to teach me how to play pool at his bar in Homestead. I'm not sure which of us was more frustrated, but he was a very patient tutor. He also adored my daughter, who has a learning disability. To her and her sister, he will always be Uncle Phil.. Rest in peace, my dear friend.*

“ *Tonya, Dustin, Amanda and the Kronzek family, my heart goes out to you all. Phil was just the most wonderful man that I had the pleasure of working with at Pittsburgh's 911 center. Tonya you were the love of his life, I remember the talks we would have and you and your children were everything to him. Phil was always the life of the party, a few of us would go out after working the 3-11 shift usually at JoJo's in the Strip and he always had us laughing. May God Bless this wonderful man and him family during their grief.*

“ *Phil was a Great Guy. He will be missed by many. I sat with him the night Rob Arons died for hours because he refused to leave his Good Friend. We talked about a lot of good times that we all had. I will never forget that night it was a beautiful moment in time. He is with his Friend Rob now and believe me he is showing him around. Fly High My Friend, I will see you on the other side.* ❤️🌟

“ *It was an honor to work with Phil. He always had a funny story and offered great advice and encouragement to me. I am praying for all the family and friends and wish I could be present to celebrate his life.*

“ *Phil. It wasn't great to work with you. I enjoyed our chats when I would meander around out on the floor. Your wit and humor will be missed. Rest easy buddy. Look forward to catching up with you one day when we meet again.*

“ To the entire Kronzek family, my deepest sympathies to everyone. Heaven has a new angel that will shine brightly like he did upstairs at the EOC. I remember taking my breaktimes and going upstairs and visiting with him. We both were school teachers out in the Glades area. His face had a glow to it when he would talk about his students and their accomplishments. Or those times his voice was oh so calm as he talked on the phone to someone on the other end of the line. A giant among men that loved his family dearly and showed it in oh so many ways. Let him be a beacon that shines like his smile did...R I P Phil

“ Tons of loving and hope your way. I loved Phil as a fellow dispatcher who was my only car pooler. Lots of laughs in our cars. Heck of a nice guy. LOVED Tonya and his kids. And I mean he looooooved them. I'm sorry we never got together after my lung surgery and mind f@#k but I thought of your family.....when my brain decided to work, I mean. I am stunned by your demise, Phil. Thank you for always having my back, front, and sides. And Tonya, you have my number honey. 🌸❤️
