“ *I remember going to a dance with Ralph & as we entered the hall I said to him, "Ralph I want to dance with the girl seating on the left " with her friend.*

He didn't object & lucky for me she was the one I married

He was always kind & caring.

Here they come, the tears of my love for him!

“ *Ralph was a true friend.
We attended a dance where I met my wife.
Since he was taller than me we agreed that
he ask the taller girl that was there with my
wife to be.
It was also a pleasure to play on the Baruch
CCNY basketball team where he was truly
a team player.
I can honestly say that I have never met a
more devoted & loving person.*
