

Renee Mann

July 17, 1942 - May 1, 2025

Renee Mann, 82, passed away on May 1, 2025 (Rabbit, Rabbit) in Delray Beach, FL. She was born on July 17, 1942, in Philadelphia, Pennsylvania, the younger daughter of Minnie and David Shamberg.

Renee was married to Arlen Mann, and together they built a life centered around family and owning several small businesses. She loved to travel and took many exciting trips throughout the years with her sister, Dell. For much of the past two decades, she enjoyed visiting her family and playing tourist in NYC. Renee would go out of her way to get a great Philly cheesesteak, or play a game of backgammon or Rummikub.

She volunteered as an usher at the Broward Center for Performing Arts and served as a poll worker for every election. She was cherished by her community for her funny personality and willingness to always be the designated driver with friends!

Renee's proudest title was Grammie and was the most devoted hype woman to the loves of her life, her grandchildren, Alana and Emily Starr and Sam and Eli Rosenblatt.

She is survived by her sister, Dell Brenner (NYC), her two daughters Stephanie Mann Starr (Chuck Burg) and Jennifer Mann Rosenblatt (Peter

Rosenblatt), and her four grandchildren.

A memorial service will be held on Tuesday, May 6, 2025 at the Huntington Pointe Clubhouse at 1 PM.

The family respectfully requests that charitable contributions be made to the Broward Center of Performing Arts to honor Renee's memory.
