

## Robin Beth Singer

November 28, 1967 - June 30, 2020

It is with profound sadness that we share the news of the death of Robin Beth Singer on June 30, 2020, in Delray Beach, FL. She was born in Stamford, CT., the darling daughter of Sidney and Carol Singer on November 28, 1967. She grew up in Greenwich, CT and graduated from Greenwich High School in 1985. Robin received her BA in Retail Management in 1989 from Syracuse University, where she was also a member of Kappa Kappa Gamma sorority. Eventually Robin met and married Timothy Skedzuhn and moved to Waterbury, VT. She was a devoted, caring and kind mother to her two sons, Zachary and Jacob. An avid skier turned snowboarder, it was only natural that she would find herself in Vermont, and spend 15 years working as a dedicated employee for Stowe Mountain Resort. Simultaneously, Robin was a Sales Coordinator at Juice Plus+. She leaves behind a legacy of practicing and teaching health and nutritional wellness and being environmentally conscious. Robin was devoted and practiced Judaism in Greenwich with the Greenwich Chavurat Deevray Torah, and later with the Jewish Community of Greater Stowe (J.C.O.G.S). Virtual memorial services were held with Greenwich Chavurat and JCOGS in July 2020 with family and friends.

Robin was predeceased by her father, Sidney. She is survived by: her mother, Carol; two sisters Maia and Lori; two sons, Zachary and Jacob; and two nephews, Matthew and Daniel. Throughout her life she touched so many hearts, while nourishing friendships all over the world. We are all left to mourn the tragic loss, but we can take comfort in the memories and the image of her

sparkling beautiful smile.

The family thanks everyone for their outpouring of affection and kind words during this time of grief.

Thank you in advance for your assistance during this difficult process.

Sincerely,

Carol and Lori Singer
