

Ronald I. Framson

November 14, 1935 - January 1, 2022

FRAMSON - Ronald "Ronny" I. Framson, age 86, of Boca Raton, FL, passed away January 1, 2022, at Boca Raton Regional Hospital in Boca Raton, Florida. Born in Bridgeport, CT, on November 14, 1935, he was the son of Al and Helen (Spiegel) Framson. Ron was a graduate of Bassick High School and the University of Connecticut, where he met his future wife, Dee, and where he also went through ROTC before serving in the US Army. He launched his career in insurance before discovering what was to become his true passion: travel. Ron and Dee Framson owned and operated Singer Travel and Turnpike Travel in Fairfield County, CT, for many years before selling the agencies and eventually relocating to Florida.

Ron was a world traveler, an innovator, an entrepreneur, and a dreamer. He helped pioneer different travel segments and services in the 1960s, 70s, and 80s and was an active founding member of multiple travel associations, such as G.I.A.N.T.S (The Greater Independent Association of National Travel Services) and ARTA (Association of Retail Travel Agents). In addition to his travel ventures, he was involved in publishing and real estate before helping to co-found Citrus America in 2011 with one of his sons.

Ron always loved a parade, a good story, or a joke. He was an avid tennis player and enjoyed skiing. As a dedicated fan of UCONN Men's and Women's basketball, he loved to catch them on TV whenever possible. He was a staunch NY Giants, Mets, and Knicks fan. Ron will be dearly missed by his travel companion and wife of 63 years, Dee (Lichtblau) Framson, and his

three sons, Peter, Leonard, and Brian and their spouses. Ron had the great pleasure of experiencing 10 grandchildren and 3 great-grandchildren as well as countless dogs, grand dogs, and great-grand dogs. Roxy, his service dog, will miss him greatly.

“ Ron was such a bright light! He brought such joy to our classes at the JCC.. He loved showing me pictures of the great grandkids and always had a smile and kind word! He kept exercising and pushing through every challenge so he could enjoy his family. I am so grateful that he chose us to spend his precious time with us. I will miss him terribly and remember him forever! Thanks Dee for sharing Ron with me! Sincerely and with much love, *Bethe Midler*
